

CelebrateRecovery®

FREEDOM FROM YOUR
HURTS, HANG-UPS AND HABITS

Celebrate Recovery is a Christ-centered program based on the 8 Recovery principles found in Jesus' Sermon on the Mount and the traditional 12-Steps. Worship, teaching and small group discussions help us "get real and heal". Anonymity and confidentiality are basic requirements. A Newcomer orientation is offered each night to help you find the right group. Don't let shame keep you from getting well. We're here to help at the following locations:
